ABOUT THE CONFERENCE

Dear Colleagues & Friends,

The Department of Sociology, Loyola College of Social Sciences cordially invites you to the two days International Conference on **UNVEILING NEW HORIZONS: PERSPECTIVES ON THE SOCIOLOGY OF AGEING & ELDERLY INDIVIDUALS**, in honour of the eminent Sociologist, **Late Professor Dr. Jacob John Kattakkayam**.

The Conference will be held at Loyola College of Social Sciences from 13 - 14 July 2023. Kindly participate in the conference and contribute to this academic endeavor.

LOYOLA COLLEGE OF SOCIAL SCIENCES (LCSS)

LCSS is a premier institute of Social Sciences in India (www.loyolacollege.kerala.edu.in). The College which has been re-accredited by NAAC in the 4th cycle at A++ Grade, is an advanced institute for social sciences, the only one of this kind in the University of Kerala. Engaging with critical issues of the society is a priority area of the college that has a strong department of extension and outreach, which functions as the live lab of the college wherein the classroom texts are contextualized and field tested.

DEPARTMENT OF SOCIOLOGY

The first Sociology Department established in University of Kerala in the year 1963, offers Postgraduate study in sociology and Doctoral programme. The Department also engages in International & National researches of social significance.

JJK STUDENTS' COLLECTIVE

JJK Students' collective is a band of forty one research scholars who secured Ph.d under the supervision and guidance of Prof. Jacob John Kattakkayam, majority of them are presently Teachers and Researchers spread across the country and abroad.

INSTITUTE OF INTERDISCIPLINARY STUDIES (IIS), LES

IIS is the research institute with Loyola Extension Services which aims to nurture a culture of Interdisciplinary quest by pooling together resources, individual scholars and academic groups for specific research that are contextually relevant, and to disseminate the insights from these research among the larger academic and popular audience through seminars, publications and consultancy.

CONFERENCE OVERVIEW

The growth in the older population began during the second half of the twentieth century, first in developed countries and more recently across developing countries as well. The conference will address perspectives on the sociology of ageing and elderly individuals with a view to propose alternative ways and suggestions to improve the quality of life of the Elderly. It aims to bring out scholars, professionals, experts and researchers to explore and discuss their on-going work related to sociology of ageing and the elderly individuals.

OBJECTIVES OF THE CONFERENCE

- To provide a platform for a representative body of stakeholders to exchange ideas, views, problems and challenges in the field of sociology of ageing and the elderly individuals.
- To explore new areas of research on elderly and suggesting alternatives for their better quality of life.
- To understand the cultural socio-economic, environmental, educational, nutritional, curative, preventive dimensions in a co-ordinated or integrated approach from different research studies.
- To document good practices on sociology of ageing prevailing in different states of India and world-wide.
